

The Greenwich Rotary Club is hosting the 5th Annual Truck and Tractor pull, Saturday May 31 at the Greenwich Park. The club is seeking donations from local businesses and other interested individuals. The donations will go towards funding the purse for the class winners.

Proceeds from the event will be used to benefit the Greenwich Rotary Scholarship Fund for college bound South Central students.

Last year's event was a huge success, and this year looks to be just as promising.

Don't miss out on the opportunity to advertise your business in the well designed program, which is passed out at the event.

New this year all sponsorships will be on the Rotary web site
